7 av/gg/14

PAG LIN

1 1 Section 1. Section 714.16, subsection 1, paragraph o, Code  
1 2 2005, is amended to read as follows:  
1 3 o. "Water treatment system" means a device or assembly for  
1 4 which a claim is made that it will improve the quality of  
1 5 drinking water by reducing one or more contaminants through  
1 6 mechanical, physical, chemical, or biological processes or  
1 7 combinations of the processes. As used in this paragraph and  
1 8 in subsection 2, paragraph "h", each model of a water

1 10 system. As used in this paragraph and in subsection 2,  
1 11 paragraph "h", a water treatment system does not include a  
1 12 portable filtration system certified as a microbiological  
1 13 water purifier by the United States environmental protection  
1 14 agency.

## EXPLANATION

1 15  
1 16 This bill provides that a portable filtration system  
1 17 certified as a microbiological water purifier by the United  
1 18 States environmental protection agency is not a water  
1 19 treatment system for the purposes of consumer fraud provisions  
1 20 contained in Code chapter 714, regulating the sale, lease,  
1 21 rental, or advertisement of water treatment systems.
